

This scholarship was established in memory of Phil Clancy by his family and friends to honor his love of engineering and dedication to FIRST<sup>®</sup>. Phil was an experimental engineer with General Motors Truck Group and a FIRST advisor for Truck Town Thunder. He passed away December 29, 2002 at age 50 after a brief battle with Leukemia.

One \$2,000 award will be given.

**Student Criteria:**

- **High school senior who is currently participating on a Michigan FIRST FRC team**
- Pursuing degree in engineering or related technology field.
- Grade point average 2.0-3.5
- Financial need

Please submit the following documents post marked by **March 7, 2008**:

- A short statement of your plans after high school, what responsibilities you have on the team and what you expect to gain from participating in FIRST. Two page max. Please avoid using identifying information.
- A letter of recommendation from a team advisor. Again please avoid using identifying information.
- Official school transcripts
- Copy of parents 2007 W2 forms, 2007 completed taxes or 2006 taxes
  - please black out all social security numbers
  - to more accurately show financial need please add any appropriate personal information that you wish: number of family members in college, recent loss of parent job, recent death of parent.
- Personal information page stating name, address, telephone number, high school attending, team name and number. Please make this the LAST page of your packet.
